

Fall 2018 Professional Development For Internationally Educated Nurses

CARE Centre for IENs is pleased to present a full slate of PD workshops this Fall. We have added some exciting new workshops for example, Financial Literacy for Newcomers, Cultural Competency for IENs, Developing Leadership Competency and How to Effectively Network, all with the goal of enhancing your life skills. Involvement in continuing and specialized education will serve to enhance your nursing resume, make you more employable and help you meet the CNO quality assurance standards.
